

SOFW – Authors' Guidelines

Title

The title should be short and concise (not exceeding 65 letters), describing the main subject of the article. Please avoid trade names and company names in the title. Listing of the authors should start with the main author, followed by co-authors, complete address, including e-mail address.

Abstract

Each paper must be preceded by a short abstract of no more than 200 words and include:

- the research objective
- experimental methods
- main observations
- conclusions
-

Text Format

- Word data files
- Apple data files

Article Size

1800-2500 words (4 - 6 pages in Arial 10).

Citations

All citations should be numbered in the used order in parentheses and be listed at the end of the article under "References".

Language

Articles should be submitted in both English and German.

Trade Names

Trade names or other commercial names should be used scarcely.

Chemicals should be used under their generic names or the corresponding INCI-names.

Figures

All images / graphs / tables should be numbered chronologically with a caption and be sent separately. PLEASE TAKE CARE OF ADEQUATE IMAGE RESOLUTION according to the format requirements below. Carefully mark inside the text where the image, graph or table should be placed.

Formats of Images

TIFF | JPEG | EPS

Resolution: 300 dpi (Color)

Submitting of articles

Please send the article to the following email-address: monika.sugumar@sofw.com

Thank you for your kind cooperation!
