

SOFW eEVENT series
WeCONNECTING industries

Marketing Tools
Achieving more together.

1. Come together – right now!

Each SOFW eVENT focuses on a specific topic.

We **connect you with a target audience** from the home and personal care industry. You will meet with formulators, service providers, manufacturers and peers working in the same field.

You can make the difference!

Join the forum and strengthen the community of **industry experts** and the interchange of information with your presence on our communication platform.

Present your **new products and services** to a global market.

Face the facts

On the following pages you will find facts that will show you the benefits of our SOFW eEVENTS.

Come together – with SOFW eEVENTS!

2.

At first glance ...

●●● it looks like this
