Relaxing Bedtime Mist

Formulation Insights

Appearance/ Aim

A clear, colorless liquid with a relaxing, light, green and citric herbal scent for a perfect unwinding bedtime ritual. Apply this spray to your body, face, bedding or pillow – or to the surrounding air. When applied to your skin, Mountain Tea Pro adds antioxidant protection and regeneration while Dead Sea Minerals supplements the skin with essential mineral nutrients.

Ingredients

- **Mountain Tea Pro**, our night-time remedy for skin recovery, is based on Greek mountain tea herb from a traceable, organic source. The COSMOS-certified and efficacy-proven extract provides caffeine-free beauty sleep support by protecting against oxidative stress and supporting skin recovery overnight. It is the ideal companion for a de-stressing night-time beauty ritual that combines tea-inspired protection with skin regeneration and recovery. Please request our product flyer for further information.
- **Dead Sea Minerals** is a glycerinic-aqueous preparation from dead sea salt, preservative-free/ self-preserving. The mineral-rich salt from the dead sea replenishes the skin with precious minerals, essential trace elements, and micronutrients (e.g., magnesium, potassium, or calcium). Please ask us for more information.
